

NO ROOM AT THE INN in Bethlehem ...
for a poor and needy couple.

Time was when there was **NO ROOM IN CAPE TOWN AT ANY INN ...**
for poor and needy girl street children.

THANK YOU ALL ...

for enabling us to keep the Inn door open despite all odds,
not only at Christmas time, AND spite the current economic climate.

Give thanks to the Lord, for He is good, for His steadfast love endures forever.

Pam Jackson ~ Director

I am grateful that God made a new home for the intake possible and wish that Ons Plek can continue to operate/find funding.

I'm grateful for the job and family I have. I wish to live long and raise my children peacefully. I'm grateful to have a granddaughter.

I wish to finish my own house at Eastern Cape so that my children can have their own home.

I'm so grateful to have a family and still talking to each other because some families are not. To be working and my two big girls are working, still listening to me. *

I am grateful of being a woman. I wish that I can get a lot of money.

I'm grateful for having God in my life and having a sister and a brother.

Grace: Thankful for joining a new family by the end of 2016. Wish for car so that I can drive myself to work.

I am grateful for leaving Ons Plek to join my family. I wish for a job. *

I'm grateful for who I am.

I am grateful for my brother because my brother loves me.

Jamie: I am grateful to be able to read. I wish to be a writer.

I am grateful to be alive. I wish to continue school.

Nondumiso: I'm very thankful because Ons Plek can make people's life's change. They give decisions to make and because of that there's work and a school open for you and Ons Plek shows you the future.

Lisa: I'm thankful for Ons Plek because if it wasn't for them my life would've be upside down. I just want to say I love all of you guys. And am greatful and thankful again for looking so nice after me. And thank you, because of you I have manners and everything.

Nolene: If it was not for Ons Plek I would be running away from home, doing drugs and stealing. I want to give special thanks to Lee-Anne because she understood every situation of me.

Isabelle: I'm very grateful for bridging school because I don't go to school anymore due to my behaviour at school and at home. But here there's school that just keeps me busy with school work. Next year I wish I can go back to high school again so I can finish my grade 12.

Lena: I am grateful for all the Aunties who have their own children and come here to look

after us and some of the children who is very very disrespectful. God will bless the Aunties many many years.

Lily: I'm very thankful for Ons Plek staff and social worker. I'm also grateful that I can change my life and better myself in this short time that I was here and that I could learn so many things. For reconnecting me with my family. I thank the teachers that comes in everyday to teach me something.

Nosihle: I am grateful that my mother is still with me. I wish for a small radio with music and headphone or earphones.

Michelle: I am grateful for my sister. I wish to get specs.

Yolande ... I either need more comments from girls ... or a photo or something for this space *
